Mark E. Andrews, as the Chapter 11 Trustee appointed in the above-captioned chapter 11 bankruptcy cases (the “Trustee”), respectfully states the following in support of this motion (this “Motion”):

### **Relief Requested**

1. By this Motion, the Trustee seeks entry of an order, substantially in the form attached hereto as **Exhibit A** (the “Proposed Order”): (i) approving the sale of the certain Purchased Assets, as that term is defined in the Asset Purchase Agreement (the “APA”),<sup>2</sup> attached to the Proposed Order as Schedule 1, including 21 rental boat units and various items of pro-shop merchandise and service department parts and equipment, free and clear of all liens, claims, and encumbrances, pursuant to the terms described more fully below and in the APA; (ii) to the extent not previously terminated or expired under their own terms, rejecting certain leases as listed in Schedule 2 to the Proposed Order (the “Leases”), effective as of the filing of this Motion; and (iii) granting related relief.

### **Jurisdiction and Venue**

2. This Court has jurisdiction over this matter pursuant to 28 U.S.C. § 1334, and this is a core matter pursuant to 28 U.S.C. § 157(b).

3. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

4. The bases for the relief requested herein are sections 363(b)&(f) and 105 of title 11 of the United States Code (the “Bankruptcy Code”), rules 2002 and 6004 of the Federal Rules of

---

<sup>2</sup> Capitalized terms used but not defined in this Motion shall have the meaning ascribed to them in the APA.

Bankruptcy Procedure (the “Bankruptcy Rules”), rule 2002-1 of the *Local Bankruptcy Rules of the United States Bankruptcy Court for the Northern District of Texas* (the “Local Rules”), and Section E of the *Procedures for Complex Cases in the Northern District of Texas* (the “Complex Case Procedures”), as applicable.

### **Background**

5. On May 20, 2024, 2024 (the “Petition Date”), each Debtor filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code.

6. On June 14, 2024, the Court entered its *Order Granting Agreed Emergency Motion to Appoint Chapter 11 Trustee* [Docket No. 173]. On June 17, 2024 (the “Appointment Date”), the United States Trustee for the Northern District of Texas (the “U.S. Trustee”) filed its *Chapter 11 Notice of Appointment of Trustee and Amount of Bond* [Docket No. 174], and on June 18, 2024, the Court entered the *Order Approving Appointment of Chapter 11 Trustee* [Docket No. 178], appointing Mark E. Andrews as the chapter 11 trustee in these chapter 11 cases.

7. On June 24, 2024, the U.S. Trustee appointed an Official Committee of Unsecured Creditors in these cases (the “Committee”).

8. A detailed description of the Debtors and their businesses, and the facts and circumstances supporting the Debtors’ chapter 11 cases, are set forth in the *Declaration of Monica Blacker in Support of First day Motions* [Docket No. 23].

#### **A. The Walloon Lake Pro-Shop and Service Center**

9. Before the Petition Date, Debtor Walloon Lake Village Marina, LLC (“WLVM”) operated a pro-shop and related service center at locations in and around Walloon Lake, Michigan. The pro-shop generated revenue through boat rentals, fuel sales, and merchandise sale. WLVM also used the pro-shop and nearby facilities to sell new and used boats as part of its operations. WLVM leased space in the surrounding areas to service and store boats, including the

rental fleet and for-sale inventory. The landlord for the pro-shop is Walloon Lake Holdings, LLC (the “Landlord”), an entity owned and/or managed by Jonathan Borisch. Jonathan Borisch is the father of the Debtors’ owner Matt Borisch.

10. WLVM is a tenant under several Leases, which are listed in Schedule 2 to the Proposed Order. Several of those leases are expired or were terminated prepetition. No rents have been paid to the insider-controlled Landlord since before the Petition Date. Moreover, WLVM has not operated the pro-shop since the Petition Date.

11. Notwithstanding the expiration of the lease and inability to operate the pro-shop, JLB Property Holdings, LLC (the “Purchaser”), an affiliate of the Landlord, has offered to purchase, and the Trustee has agreed to sell certain assets as detailed more fully in the APA. Such Purchased Assets (as defined in the APA), include 21 units of rental boats, and all of WLVM’s pro-shop merchandise and service center parts and equipment. The terms of the proposed transaction are summarized as follows (the “Sale”):<sup>3</sup>

- i. Purchase Price: \$1,239,613.80, comprised of: (a) \$136,700.00 for WLVM’s non-watercraft pro-shop inventory and related equipment; (b) \$267,892.77 for WLVM’s service center inventory, parts, and related equipment; (c) \$1,011,240.98 for twenty-one (21) of WLVM’s rental boats (the “Rental Boats”); and (d) *less* a credit of \$176,219.95, representing post-petition rents for five (5) months since the Petition Date.
- ii. Deposit: Purchaser has tendered a deposit of \$123,961.38, comprising 10% of the Purchase Price.
- iii. Purchased Assets: As enumerated in the APA and summarized above.
- iv. Effective Date: August 4, 2024, at 11:59 pm ET.
- v. Payment of Purchase Price: Within three (3) business days after entry of an order granting this Motion, Purchaser will pay the Trustee \$280,631.39. The Purchaser will pay the remaining Purchase Price of \$835,021.03 on the later of Closing (as defined in the APA) or September 3, 2024.

---

<sup>3</sup> The terms set forth below are a summary of the APA and not intended to modify the APA in any way.

- vi. Use of Rental Boats Prior to Closing. Purchaser shall be allowed to utilize the Rental Boats prior to Closing at Purchaser's cost and risk, provided, however, that Purchaser shall provide the Trustee, no later than the Effective Date, with proof of adequate insurance to the Trustee's satisfaction (in his sole discretion), naming the Trustee as the loss payee on such insurance until Closing. Any time prior to Closing, the Trustee may consider offers from third parties to purchase one or more of the Rental Boats. In the event that an offer is presented in an amount greater than the Purchase Price allocated to a unit of the Rental Boats, Purchaser shall have the option to increase the Purchase Price to match the sale offer. If Purchaser declines this option, Purchaser shall immediately cease further use of the applicable Rental Boat and allow the Trustee to take possession and consummate the sale, and the Purchase Price shall be adjusted accordingly to remove the unit from the Purchased Assets.
- vii. Trustee will convey all rights and interests in the Purchased Assets, free and clear of all liens, claims, or encumbrances, provided, however, that any such liens, claims, or encumbrances shall attach to the sale proceeds with the same priority and validity as existed immediately prior to the consummation of the Sale.
- viii. In addition to the foregoing Purchase Price, Purchaser agrees to use its reasonable best efforts to hire and assume all future obligations with respect to the Debtors' employees engaged in WLVM's operations, and to enter into new leases with the landlords for the leases utilized for the WLVM operations where commercially reasonable to do so.
- ix. The Trustee shall seek authority, as part of the approval of this transaction, to reject the Leases utilized as part of WLVM's business to enable to the Purchaser to negotiate new leases with the landlords for the Walloon Locations.
- x. In addition to the foregoing Purchase Price and agreements to retain employees and leases, the Purchaser further agrees to grant access to the Trustee (and his designees), without interference, at no further cost or expense to the Trustee, to all leased WLVM locations for the purposes of selling or, as needed, removing any and all Retained Assets (as defined in the APA).

12. The Trustee has negotiated the foregoing terms directly with Jonathan Borisch.

Thus, although the Purchaser may be considered an "insider" of the Debtors due to its connection to the Debtors' owner, the proposed sale was negotiated at arms' length, and the Trustee believes the transaction is reasonable and appropriate to maximize the value of such assets. Not only will

the proposed Sale allow the Trustee to realize cash from the sale of the Purchased Assets that would otherwise continue to depreciate in value, but the Purchaser has also agreed to provide a seamless transition for a significant number of employees and landlords. On the whole, the Trustee believes that the proposed Sale was negotiated in good faith, is an exercise of business judgment, and presents a positive recovery for the bankruptcy estates.

### **Basis for Relief Requested**

#### **A. Consummation of the Sale is in the Best Interest of the Debtors' Estates.**

13. The Court may authorize the Trustee to consummate the Sale pursuant to Bankruptcy Code §§ 105(a) and 363(b). Bankruptcy Code § 363(b)(1) provides, in relevant part, that, “[t]he trustee, after notice and a hearing, may use, sell, or lease, other than in the ordinary course of business, property of the estate.” 11 U.S.C. § 363(b)(1). Further, section 105(a) of the Bankruptcy Code provides, in relevant part, that, “[t]he court may issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of this title.” 11 U.S.C. §105(a).

14. There must be sound business judgment for a sale of assets outside of the ordinary course of business. *See, e.g., Institutional Creditors of Cont'l Airlines, Inc. v. Cont'l Airlines, Inc. (In re Cont'l Airlines, Inc.)*, 780 F.2d 1223, 1226 (5th Cir. 1986). Once the trustee articulates a valid business justification, his decision to sell property out of the ordinary course of business enjoys a strong presumption that “the directors of a corporation acted on an informed basis, in good faith and in an honest belief that the action taken was in the best interests of the company.” *Off. Comm. of Subordinated Bondholders v. Integrated Res., Inc. (In re Integrated Res., Inc.)*, 147 B.R. 650, 656 (S.D.N.Y. 1992) (quoting *Smith v. Van Gorkom*, 488 A.2d 858, 872 (Del. 1985)); *see also In re STAK Design, Inc.*, 612 B.R. 872, 875-76 (Bankr. N.D. Tex. 2020) (concluding that debtor demonstrated its “reasonable business judgment” to sell assets in a private

sale, without conducting a public auction, due to the “low probability” of finding a better offer under the circumstances). Courts look to various factors to determine whether to approve a motion under section 363(b) of the Bankruptcy Code, such as: (a) whether a sound business reason exists for the proposed transaction; (b) whether fair and reasonable consideration is provided; (c) whether the transaction has been proposed in good faith; and (d) whether adequate and reasonable notice is provided. *See, e.g., In re Condere*, 228 B. R. 615, 626 (Bankr. S.D. Miss. 1998).

15. In addition, the Court may authorize the Sale under sections 363(b)&(f) and 105(a) Bankruptcy Code, which codifies the Court’s inherent equitable powers to “issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of this title.” 11 U.S.C. § 105(a); *see, e.g., In re CoServ, L.L.C.*, 273 B.R. 487, 497 (Bankr. N.D. Tex. 2002).

16. The relief requested by this Motion is within the sound exercise of the Trustee’s business judgment, was negotiated in good faith for fair value, is necessary to avoid immediate and irreparable harm to the Debtors’ estates and is justified under sections 105(a) and 363(b). The Trustee, in consultation with his advisors, M&T Bank, and with the Debtors’ business personnel, has determined that the Purchased Assets present a burden to the estates without authority to use cash collateral to fund the ongoing operations at the pro-shop and service center. The Trustee has the ability under the APA to entertain higher and better offers for the Rental Boats, but the Trustee already believes that the Purchase Price negotiated for the Rental Boats is more than fair and reasonable under the circumstances.

17. The Trustee and his advisors believe that the Sale presents an efficient and appropriate means of maximizing the value of the Purchased Assets, providing a soft landing for employees, landlords, and other vendors involved in the Walloon Lake operations, and otherwise balancing the potentially competing concerns of other parties in interest.

18. Further, delay in consummating the Sale would diminish the recovery available for the Purchased Assets. Although the Trustee seeks approval of the Sale on less than 24-days' notice, the Trustee (through his counsel) circulated a copy of the APA and this Motion to counsel for M&T Bank and the Committee before filing the Motion. Based on discussions among counsel, the Trustee believes that neither M&T Bank nor the Committee oppose the expedited setting of this Motion, although the Committee was still reviewing the terms of the APA as of the filing of this Motion.

**B. The Court Should Approve the Sale of the Purchased Assets Free and Clear of All Liens, Encumbrances, and Other Interests Under Section 363(f) of the Bankruptcy Code.**

19. The Trustee seeks authority to sell the Purchased Assets on a final "as is" basis, free and clear of any and all liens, claims, and encumbrances in accordance with the terms of the APA and section 363(b) and (f) of the Bankruptcy Code. A trustee may sell property under sections 363(b) and 363(f) "free and clear of any interest in such property of an entity other than the estate" if any one of the following conditions is satisfied: (i) applicable non-bankruptcy law permits sale of such property free and clear of such interest; (ii) such entity consents; (iii) such interest is a lien and the price at which such property is to be sold is greater than the aggregate value of all liens on such property; (iv) such interest is in *bona fide* dispute; or (v) such entity could be compelled, in a legal or equitable proceeding, to accept a money satisfaction of such interest. 11 U.S.C. § 363(f).

20. On information and belief, M&T Bank is the only known creditor with a lien or other interest in the Purchased Assets and consents to the sale of its collateral through the Sale. The Trustee anticipates that, to the extent there are other liens on the Purchased Assets, all holders of such liens will consent to the Sale because they provide the most effective, efficient, and time-sensitive approach to realizing proceeds for, among other things, the repayment of amounts

due to such parties. Any and all liens on the Purchased Assets sold pursuant to this Motion will attach to the remaining proceeds of such Sales with the same force, validity, effect, and priority as such liens currently have on these assets, subject to the rights and defenses, if any, of the Debtors' estates and of any party-in-interest with respect thereto. Moreover, all known lienholders will receive notice and will be given sufficient opportunity to object to the relief requested on a final basis.

21. Accordingly, the Trustee submits that the Sale of the Purchased Assets satisfies the statutory requirements of section 363(f) and should, therefore, be approved "free and clear" of any liens, claims, encumbrances, and other interests.

**C. Purchaser is a Good Faith Purchaser Entitled to Protections of 11 U.S.C. § 363(m).**

22. Section 363(m) of the Bankruptcy Code provides:

The reversal or modification on appeal of an authorization under subsection (b) or (c) of this section of a sale or lease of property does not affect the validity of a sale or lease under such authorization to an entity that purchased or leased such property in good faith, whether or not such entity knew of the pendency of the appeal, unless such authorization and such sale or lease were stayed pending appeal.

11 U.S.C. § 363(m).

23. While the Bankruptcy Code does not define "good faith," the Fifth Circuit has held that a good faith purchaser is one who "purchases the assets for value, in good faith, and without notice of adverse claims." *Hardage v. Herring Nat'l Bank*, 837 F.2d 1319, 1323 (5th Cir. 1988) (quoting *Willemain v. Kivitz (In re Willemain)*, 764 F.2d 1019, 1023 (4th Cir. 1985)). Furthermore, the good faith status of a purchaser can be destroyed with evidence of "fraud, collusion between the purchaser and other bidders or the trustee, or an attempt to take grossly unfair advantage of other bidders." *TMT Procurement Corp. v. Vantage Drilling Co. (In re TMT Procurement Corp.)*, 764 F.3d 512, 521 (5th Cir. 2014).

24. The Trustee submits, and will present evidence as needed, that the Sale of the Purchased Assets to the Purchaser is the result of a fairly extensive arms' length transaction for value, in which the Purchaser negotiated directly with the Trustee over the course of several weeks. During these negotiations, the Trustee notified M&T Bank of the proposals to ensure its consent to release liens on the Purchased Assets. At all times, the Trustee believes that the Purchaser has acted in good faith. In connection with approval of the Sale, the Trustee requests that the Court make a finding that the Purchaser is a good faith purchaser and entitled to the protections of section 363(m) of the Bankruptcy Code.

**D. The Rejection of the WLMV Leases Is in the Best Interests of the Debtors' Estates.**

25. Section 365(a) of the Bankruptcy Code provides that a debtor in possession "may assume or reject any executory contract or unexpired lease of the debtor" subject to the court's approval. 11 U.S.C. § 365(a). Courts generally authorize a trustee to assume or reject executory contracts and unexpired leases where the trustee appropriately exercises "business judgment." *See, e.g., In re Senior Care Centers, LLC*, 607 B.R. 580, 587 (Bankr. N.D. Tex. 2019) ("A court evaluates whether a lease should be assumed or rejected employing the business judgment standard.") (citation omitted); *In re TM Vill., Ltd.*, No. 18-32770, 2019 WL 1004571, at \*10 (Bankr. N.D. Tex. Feb. 28, 2019) ("A debtor must satisfy his fiduciary duty to . . . creditors and equity holders, by articulating some business justification for using, selling, or leasing the property outside the ordinary course of business.") (internal quotations and alternations omitted) (citation omitted).

26. The Trustee has determined, in his sound business judgment, that the Leases listed in Schedule 2 to the Proposed Order are burdensome not necessary to an effective reorganization

or even the orderly liquidation that is underway.<sup>4</sup> The Leases are not needed for the ongoing liquidation sales, and the Purchaser has agreed to use his best efforts to negotiate new leases with the landlords where commercially reasonable to do so. Therefore, in the sound exercise of the Trustee's business judgment, the Trustee has determined that the rejection of the Leases is in the best interests of the bankruptcy estates and creditors.

27. The Trustee further seeks authority to deem the rejection, to the extent the Leases are not otherwise terminated under their own terms, effective as of the date of the filing of this Motion. The counterparties to the Leases will not be unduly prejudiced by such retroactive rejection given the Purchaser's efforts to negotiate new leases as required under the APA.

28. The Trustee will cause notice of this Motion to be served on the counterparties, thereby allowing the landlords sufficient opportunity to respond accordingly. The Trustee has sought the relief requested as soon as possible following agreements reached with the Purchaser and does not seek to reject the Leases due to any undue delay on the Trustee's own part.

#### **Request for Waiver of Stay**

29. To the extent that the relief sought in the Motion constitutes a use of property under Bankruptcy Code § 363(b), the Trustee seeks a waiver of the fourteen-day stay under Bankruptcy Rule 6004(h). As explained herein, the relief requested in this Motion is immediately necessary for the Trustee to be able to consummate the Sale and preserve the value of the estates.

#### **Notice**

30. The Trustee will provide notice of this motion to the following parties or their counsel: (a) the U.S. Trustee for the Northern District of Texas; (b) counsel to the Official Committee of Unsecured Creditors; (c) counsel for M&T Bank; (d) counterparties to the Leases

---

<sup>4</sup> One such lease is already the subject of an agreed motion to reject filed at Docket No. 311 on July 31, 2024.

listed in Schedule 2 to the Proposed Order; (e) the United States Attorney's Office for the Northern District of Texas; (f) the Internal Revenue Service; and (g) any party that has requested notice pursuant to Bankruptcy Rule 2002. In light of the nature of the relief requested, the Trustee submits that no other or further notice is needed.

WHEREFORE, the Trustee respectfully requests that the Court enter the Proposed Order attached hereto as **Exhibit A**, granting the relief requested herein and such other relief as the Court deems appropriate under the circumstances.

Respectfully submitted this 9th day of August, 2024.

JLB Property Holdings, LLC (the “Purchaser”); and (ii) authorizing the rejection of certain Leases as in Schedule 2 hereto; and the Court having reviewed the Motion and having considered the statements of counsel and the evidence adduced with respect to the Motion at any hearing before the Court (the “Hearing”); and this Court having found that this is a core proceeding pursuant to 28 U.S.C. § 157(b)(2); and this Court having found that venue of this proceeding and the Motion in this district is proper pursuant to 28 U.S.C. §§ 1408 and 1409; and this Court having found that the relief requested in the Motion is in the best interests of the chapter 11 estates, their creditors, and other parties in interest; and this Court having found that the Trustee’s notice of the Motion and opportunity for a hearing on the Motion were appropriate and no other notice need be provided; and this Court having reviewed the Motion and having heard the statements in support of the relief requested therein at a hearing before this Court, if any; and this Court having determined that the legal and factual bases set forth in the Motion and at a hearing establish just cause for the relief granted herein; and upon all of the proceedings had before this Court; and after due deliberation and sufficient cause appearing therefor, it is HEREBY ORDERED THAT:

1. The Motion is granted as set forth herein.
2. The Trustee has shown sound business reasons to sell the Purchased Assets to the Purchaser free and clear of liens, claims, and encumbrances, and pursuant to the terms of the APA attached hereto as Schedule 1. The APA is approved.
3. To the extent not previously terminated or expired, the Leases listed in Schedule 2 hereto are rejected, effective as of the date of the filing of the Motion unless the Trustee and a counterparty to any Lease agrees to a different rejection date by agreement. Counterparties to such Leases may file a proof of claim for damages arising from such rejection no later than the current bar date of September 30, 2024, or 30 days after entry of this order, whichever date is later.

4. The Sale is in the best interest of the Debtors' estates and parties in interest.

5. The Trustee is authorized, pursuant to Bankruptcy Code sections 105(a), 363(b), and 363(f), to sell the Purchased Assets to the Purchaser on the terms set forth in the APA, free and clear of any and all encumbrances; *provided, however*, that any such encumbrances shall attach to the proceeds of the Sales with the same validity, in the same amount, with the same priority as, and to the same extent that any such liens, claims, and encumbrances had with respect to the Purchased Assets, subject to any claims and defenses that the Trustee may possess with respect thereto.

6. The APA was negotiated, proposed, and is undertaken by the Trustee and the Purchaser at arms'-length bargaining positions, without collusion or fraud, and in good faith within the meaning of Bankruptcy Code section 363(m). The Purchaser recognized that the Trustee was free to deal with any other party interested in acquiring the Purchased Assets, and agreed to, and did, subject its offer to higher and better proposals. Neither the Trustee, nor the Purchaser, nor any affiliate of the Purchaser has engaged in any conduct that would cause or permit the APA to be avoided under section 363(n) of the Bankruptcy Code. As a result of all of the foregoing, the Purchaser is entitled to the protections of Bankruptcy Code section 363(m), including in the event this Order or any portion thereof is reversed or modified on appeal, and otherwise has proceeded in good faith in all respects in connection with these cases. The APA was not entered into for the purpose of hindering, delaying, or defrauding creditors under the Bankruptcy Code or under the laws of the United States, any state, territory, possession or the District of Columbia.

7. The Sale of Purchased Assets shall be "as is," final, and not subject to any refund policy.

8. Unless M&T Bank agrees otherwise in writing or set forth an approved budget, all proceeds from the sale approved by this Order shall be remitted to M&T Bank to be applied consistent with the terms of any order approving the use of cash collateral.

(b) In addition to the foregoing Purchase Price, Buyer agrees to use its reasonable best efforts to hire and assume all future obligations with respect to the Debtors’ employees engaged in the Business at the Walloon Locations, and to enter into new leases with the owners of the Walloon Locations, where commercially reasonable to do so.

(c) The Trustee shall seek authority, as part of the approval of this transaction, to reject any and all leases utilized as part of the Business, including for the Walloon Locations, to enable to the Buyer to negotiate new leases with the landlords for the Walloon Locations. In addition to the foregoing Purchase Price and agreements to retain employees and leases, the Buyer further agrees to grant access to the Trustee (and his designees), without interference, at no further cost or expense to the Trustee, to the Walloon Locations for the purposes of selling or, as needed, removing any and all Retained Assets.

If Buyer declines this option, Buyer shall immediately cease further use of the applicable Rental Boat and allow the Trustee to take possession and consummate the sale, and the Purchase Price shall be adjusted accordingly to remove the unit from the Purchased Assets.

3.5 Alternative Transaction Provisions. Any time prior to the Sale Date, Seller shall be entitled to consider proposals for Alternative Transactions from third parties consistent with its fiduciary obligations as a trustee in the Chapter 11 Case.

## ARTICLE IX

### TAX MATTERS

9.1 Filing of Returns. In connection with the preparation and filing of Tax Returns as of and after the Closing Date, Buyer and Seller shall cooperate and exchange information as reasonably required to accomplish the matters contemplated by this Article IX.

9.2 Transaction Taxes. Buyer shall bear and be responsible for paying any sales, use, stamp, transfer, documentary, registration, business and occupation and other similar taxes (including related penalties (civil or criminal), additions to tax and interest) imposed by any Governmental Authority with respect to the transfer of the Purchased Assets to Buyer ("Transaction Taxes"), regardless of whether any Tax authority seeks to collect such taxes from Seller or Buyer. Buyer shall also be responsible for (a) administering the payment of such Transaction Taxes, (b) defending or pursuing any proceedings related thereto, and (c) paying any expenses related thereto. Seller shall give prompt written notice to Buyer of any proposed adjustment or assessment of any Transaction Taxes with respect to the transactions contemplated hereby. In any proceedings, whether formal or informal, Seller shall permit Buyer to participate and control the defense of such proceeding with respect to such Transaction Taxes, and shall take all actions and execute all documents required to allow such participation, so long as Buyer is diligently pursuing the resolution thereof.

9.3 Tax Prorations. As to any Purchased Assets acquired by Buyer, Seller and Buyer shall apportion the liability for property taxes and ad valorem taxes (“Periodic Taxes”) for all Tax periods including but not beginning or ending on the Closing Date (the “Proration Periods”). The Periodic Taxes described in this Section 9.3 shall be apportioned between Seller and Buyer as of the Closing Date, with Buyer liable for that portion of the Periodic Taxes equal to the Periodic Tax for the Proration Period multiplied by a fraction, the numerator of which is the number of days remaining in the Proration Period including and after the Closing Date, and the denominator of which is the total number of days covered by such Proration Period. Seller shall be liable for that portion of the Periodic Taxes for the Proration Period for which Buyer is not liable under the preceding sentence. Buyer and Seller shall pay or be reimbursed for property taxes (including instances in which such property taxes have been paid before the Closing Date) on this prorated basis. If a payment on a tax bill is due after the Closing, the Party that is legally required to make such payment shall make such payment and promptly forward an invoice to the other Party for its pro rata share, if any. If the other Party does not pay the invoice within 30 calendar days of receipt, the amount of such payment shall bear interest at the rate of 6% per annum. The Party responsible for paying a tax described in this Section 9.3 shall be responsible for administering the payment of (and any reimbursement for) such Tax. For purposes of this Section 9.3, the Proration Period for ad valorem taxes and property taxes shall be the fiscal period for which such taxes were assessed by the relevant Tax jurisdiction.

9.4 Tax Refunds. Any Tax refunds, credits, or rebates (including any interest related thereto) received by Buyer, its Affiliates or successors relating to the Purchased Assets and to Tax periods or portions thereof ending on or before the Closing Date shall be for the account of Seller, and Buyer shall pay over to Seller any such amount within five days of receipt thereof. Buyer shall, if Seller so requests and at Seller’s direction and expense, file or cause its Affiliates to file for and obtain any Tax refunds with respect to the Purchased Assets and to Tax periods or portions thereof ending on or before the Closing Date.

9.5 Cooperation regarding Taxes. Buyer and Seller will work together to resolve any dispute with taxing authorities regarding taxes, assessments and tax levies to the extent commercially reasonable. Upon receipt from any governmental authority of any levy, notice, assessment, or withholding of any tax, fee, or other charge for which Seller may be obligated pursuant to this section, Buyer shall promptly provide written notice to Seller. In no case shall any settlement or other disposition of such a levy, notice, assessment or withholding of any tax, fee or other charge for which Seller may be obligated pursuant to this section be entered or otherwise reached by Buyer without Seller’s prior written consent; otherwise, Seller shall not be responsible for such settled amounts, and Buyer shall indemnify and hold harmless Seller for such amounts, including any interest and penalties, and shall reimburse Seller to the extent Seller has previously paid such taxes.

9.6 Survival. This Article IX, including all subsections, shall survive any termination or expiration of this Agreement: (a) for the period of time during which either Seller or Buyer may be liable for any type of tax, fee, duty, surcharge, levy, assessment, withholding or other

similar governmental charge based upon or arising out of the transactions effectuated pursuant to this Agreement under any applicable statute of limitations; or (b) where any audit, contest or controversy based upon or arising out of the transactions effectuated pursuant to this Agreement is pending, throughout the duration of such audit, contest or controversy.
